

# 2023 JUNIOR GOLF CAMPS

DRIVE GOLF & THE LINKS AT HAMPTON COVE

## CAMP DETAILS

Our Junior Golf Camps are an immersive golf experience that touches on several areas of the game and is delivered on 4 consecutive evenings within one week. Our camps are best suited to young golfers who have had some previous golf experience or, if they are beginners possess an intense desire to learn the game.

While our camps are fun and enjoyable, they are acutely focused on player development & skill acquisition. They are not as well suited to those looking for a substitute for babysitting, or for juniors just looking for a place to kill time and horse around. Our instructors are invested in helping our junior campers achieve new levels in their golf development, and to inspire a lifelong passion for the sport.

Please note that camp subject matter is delivered quickly and efficiently by our instructors, to allow us to move to “on course” play, every day of the camp. Our camps touch on some/all of the following areas:

1. The GOLF BLUEPRINT
2. GTS Fundamentals
3. PAR Swing Sequence
4. Hybrids/Woods/Driver
5. The Short Game: PITCHING
6. The Short Game: CHIPPING
7. The Short Game: PUTTING
8. Wildcard Topics (ie: Ball Flight Laws, Specialty Shots, Bunkers Play, etc)
9. Intro to On Course Play, Course Management Principles and Golf Etiquette
